

# 2023 Bulk Garbage- Schedule your Appointment!

Bulk garbage pickup in the Town of Petty Harbour/Maddox Cove will continue by appointment only again this year. Each household will have to contact the Town Office to schedule a time for their bulk garbage pickup. Garbage cannot be placed out to the curb at any time like in previous years. An appointment must be made in advance for pick up.

Bulk garbage pickup will run from May 1<sup>st</sup> to June 30<sup>th</sup>, 2023, **by APPOINTMENT ONLY.**

## How this will work:

- Each household is asked to call the Town Office to schedule a time to have their bulk garbage picked up.
- Town staff will give you a date that your garbage will be picked up.
- Once you have your appointment booked, we ask that residents only place their bulk garbage outside a few days before their scheduled pickup date.

There will only be one pick up per household.

**Please be advised - If you place bulk garbage out for pickup without a scheduled appointment, you will be charged an extra garbage pickup fee.**

Please see the following guidelines as to what you can include in your bulk garbage and how to properly sort it:

- Materials from the demolition of buildings, sheds or trees cut down from properties **will not** be collected.
- Any small loose material must be boxed or bagged.
- All metal must be placed separate from other bulk garbage.

- Do not place tires, rope or netting out for pickup.
- Keep regular weekly garbage separate from bulk garbage.

The Town of Petty Harbour-Maddox Cove is requesting that residents refrain from placing bulk garbage in drains around the community. This will prevent any damage that may occur in the event of heavy rainfall. Please cover any bulk garbage to prevent it from being torn open, which causes some of the garbage to end up in the drains.

If you are disposing of animal feces, please ensure it is done so in appropriate containers such as buckets or containers with lids. Please do not place animal feces in garbage bags only as it is unsanitary for staff if a bag breaks open.

**The Town of Petty Harbour-Maddox Cove thanks all residents for their cooperation in this matter. We all need to work together to keep our community clean and beautiful!**
