Application # _____

Permit # _____

Development Application

- All development must meet the applicable zoning regulation requirements. See zoning regulation requirements on the Town's website pettyharbourmaddoxcove.ca.
- Structures are to be located, built and/or renovated in accordance to plans and plot location submitted.
- Structures are to be constructed in accordance with the 2020 National Building Code and any supplements and amendments as the minimum development standard. Structures are also to be constructed to the 2015 National Plumbing Code and any supplements and amendments as the minimum development standard.
- All buildings are to be used for domestic purposes unless otherwise approved by council and a permit obtained for commercial purposes.
- Septic systems must be approved by council and a Certificate of Approval from Service NL is required to be submitted to council before a permit will be issued.
- All applications must include:
 - A legal survey
 - Depending on the type of development, a plot plan or sketched plot plan may be required.
 - Proof of ownership or permission from property owner if you are not the current property owner.
 - A copy of house plans if applicable.
- If connecting to the town's water and sewer, a connection fee will be required as per the town's tax schedule.
- A deposit is required if town paving has to be cut to install water and sewer infrastructure.
- A secondary inspection must be completed by the Town when footings are in place and prior to concrete being poured.
- The applicant must have building plotted/marked on property for the town to inspect.
- For new home development, an Occupancy Permit must be obtained before occupancy.
