

PUBLIC NOTICE

The Town of Petty Harbour/Maddox Cove would like to advise residents that starting June 23, 2014 it will be mandatory to have all garbage covered when placed out for pick up. If garbage is not covered, staff will not be picking it up and the home owner may be issued a fine for not doing so. Please refrain from placing garbage on the curb the night before pick up. This practice causes rodent problems and unnecessary debris around our community when animals tear open bags. Your cooperation in this matter is appreciated.

Thank you,
The Town of Petty Harbour/Maddox Cove
