	BUSINESS ARISING	Proposed minutes of December 2, 2019 be approved. All in favor, motion carried.	
3		#8 The town has not heard back from the City of St. John's with regard to Beer	
		Pond. Councillor Hearn arrived at 6:32pm.	
4		#9 The town is still waiting for Newfoundland Power to move guide wire on	
7		Southside Road in order to move the rock to help alleviate the water/drainage	
		problem.	
		Councillor Orren arrived at 6:37pm.	
5		#14 Stephanie Stack (CAO) congratulated the Recreation Commission on another wonderful Christmas Parade.	
6		#19 The gravel on the shoulder of Southside Road has not been removed yet. It	
	TONICITES	will be done this week.	
	TONIGHT'S AGENDA		
7	·	The draft Excavation Application was tabled. There was some discussion with	
		regard to the section "Type of Fill". It was noted that this would be important	
		information for council to have. Motion #410 Kim Orren/David Green	
		Proposed to accept the Draft Excavation Application with three changes. All in favor, motion carried.	
8		Application to operate a tourist accommodation at 9 Big Hill Road.	
		Councillor Hearn and Councillor Green left chambers due to a conflict of interest at 6:55pm.	
		Councillor Orren disclosed that she is employed with The Watershed and may be in a conflict of interest.	
		Motion #411 Sam Stack/Rick Raymond	
		Proposed that councillor Orren was in a conflict of interest when discussing this	
		matter. No one voted in favor of the motion, motion defeated.	
		Motion #412 Sam Stack/Kim Orren	
		Proposed to send a notice to the public for comment. All in favor, motion carried. Councillor Hearn and Councillor Green returned to chambers at 6:59pm.	
9		Motion Bay Road Extension – Scope of Work. The Scope of Work for Motion	
		Bay Road Extension that was prepared by CBCL Ltd. was tabled. There was some	
		discussion over the cost for the scope of work which was \$402,000. Council was	
		unsure if this was for the first phase or all phases to be completed. Council noted	
		that there were a number of questions that they need the engineer to answer. Some	
		of the questions were with regard to a new proposed retaining wall on the inside of	
		Motion Bay Road Extension and the proposed width of the road. Deputy Mayor	
		Stack questioned why council could not run the drains down through Oceanview	
		Boulevard and upgrade these drains. Stephanie Stack (CAO) noted that the	
		engineer previously answered this question in a previous meeting stating that it	
		would be more expensive to go this route. Councillor Orren noted that maybe the	
		engineer is going with the natural flow of the water and that is why he is proposing	
		the drain in the area he has noted on the scope of work. Deputy Mayor Stack stated that the town should consider getting a second opinion on the scope of work. It	
		was noted that there would be an additional cost for this. Mayor Lee stated that the	
		town can't afford to spend a million or half a million dollars on a road with no	
	1	homes. Deputy Mayor Stack noted that the town previously had a quote from a
