	TONIGHT'S AGENDA	
2		Complaint with regards to barking dogs at 34 Motion Bay Road – Darien Rowsell was present to speak. Mr. Rowsell stated that he has been in contact with the RNC and they advised him not to get video proof. Mr. Rowsell then proceeded to play a recording of dogs barking. Mayor Hutchings asked Mr. Rowsell a couple of times to turn off the recording. He refused. Mayor Hutchings adjourned the meeting at 6:37 pm due to Mr.
		Rowsell's refusal to turn off this disturbance in the Council chambers.
3		A petition from Mr. Jody Williams with signatures of surrounding resident who do not have any issues with regard to his dogs was tabled.
4		Mayor Hutchings resumed the meeting at 6:42 pm.
5		Repairs to the landscape and sign for St. George's Church. Richard Clements was present at chambers to discuss. Council noted that the topsail that is on the lawn will be raked away hopefully this week. There was some discussion with regard to placing a fence where the retaining wall used to be but would like it extended just a few feet around the corner of Church Lane. Mr. Clements agreed to have a fence erected instead of the retaining wall and stated that he would like to have it the same height as the small fence that is currently on the remaining retaining wall. Mr. Clements noted that he didn't want the announcement sign to go on the fence. The location of this sign will be decided at a later time.
6		Drain on Cribbies Road by John Bartlett's – Mayor Hutching's originally visited this site with Mr. Bartlett. The Inspections and Development Committee also visited the site with staff. Currently there seems to be some confusion as to the location of the problem. Mayor Hutchings will visit the area again with Town staff.
