| TOTAL   | \$7,992.08      |

### TOWN OF PETTY HARBOUR/MADDOX COVE

### REGULAR MEETING

### **MONDAY JUNE 3, 2019**

PRESENT: Sam Lee, Sam Stack, Rick Raymond, Harry Chafe, Linda Hearn, David Green (arrived at 7:40pm) and Stephanie Stack

**ABSENT: Kimberly Orren** 

|    | 1        | · · · · · · · · · · · · · · · · · · ·   |
|----|----------|---|
| #  |          |   |
|    |          | ITEM  |
| 1  |          | Mayor Lee brought the meeting to order at 6:30pm.   |
| 2  |          | Minutes of May 21, 2019 were read.  |
| 4  |          | Motion #192 Harry Chafe/Lynn Hearn  |
|    |          | Proposed minutes of May 21, 2019 be approved. All in favor, motion carried.   |
|    | BUSINESS |   |
|    | ARISING  |   |
| 3  |          | #3 The Petty Harbour/Maddox Cove Recreation Commission discussed the possibility of moving the proposed multi-purpose surface from the Maddox           |
|    |          | Cove ballfield to Cribbies Park. Recreation decided that they will not be   |
|    |          | moving the location of the proposed multi-purpose surface as there is a building  |
|    |          | with washrooms in the area and there are more youth in Maddox Cove. Staff   |
|    |          | notified the Cribbies Park Committee of this decision and they will get back to   |
|    |          | council with what the committee will need next for Cribbies Park and council  |
|    |          | may be able to help them.   |
| 4  |          | #5 The Department of Environment has informed council that there is no  |
|    |          | requirement for grease catchers to be installed for businesses. Staff will contact  |
|    |          | the City of St. John's to see if they have a requirement for this.  |
| 5  |          | #6 The CAO - Stephanie Stack has resubmitted the request to repurpose the funds from the Capital Works Project – Valve Replacement to replace the three |
|    |          | lift station in the town. Ms. Stack was informed by the department that the lift  |
|    |          | station may not be able to be covered under this capital works project due to the   |
|    |          | fact that is too far beyond the scope of work. It was noted by the department   |
|    |          | that the town could repurpose the funds to complete the water valves in   |
|    |          | Maddox Cove. Ms. Stack informed the department that there is one lift station   |
|    |          | that is a safety concern for staff when completing maintenance due to electrical  |
|    |          | panel. The department will look into the possibility of replacing the one lift  |
|    |          | station that is a major concern and then the balance of the funds to be used for  |
|    |          | valve replacements in Maddox Cove. The department will get back to the town   |
|    | ·        | with regard to this.  |
| 6  |          | #7 Skinner's Hill – Parking Area  |
|    |          | The town's engineer is completing the scope of work and the design drawing  |
|    |          | for the parking area off Skinner's Hill. There was an issue with the type of  |
|    |          | traffic arm that will be placed in the area. The original quote was for a traffic   |
|    |          | arm that required key fobs. This type of traffic arm would not work for the   |
|    |          | town. The town received another quote for a coin operated arm. The engineer   |
|    |          | will add this to the scope of work and staff will get the request for tenders out   |
|    |          | in the coming days.   |
| 7  |          | #8 The foreman met with the Department of Transportation and Works to go  |
|    |          | over all the areas that need to be repaired in the town such as potholes, drains,   |
|    |          | shoulder of roads and guard rails.  |
| 8  |          | #15 The town's engineer has reviewed the storm water management for Motion  |
|    |          | Bay Road Extension. The engineer recommends that the storm water upgrades   |
|    |          | start at the drainage basin outlet (on the Main Road in Maddox Cove). The   |
|    |          | culvert in this area would have to be upgraded before drainage work on Motion   |
| ]  |          | Bay Road Extension can be started. Mayor Lee noted that maybe the   |
|    |          | Department of Transportation and Works could look after the replacement of  |
|    |          | this culvert. Staff will set up a meeting at 4:00pm or 4:30pm to meet with the  |
|    |          | engineer to discuss.  |
| 9  |          | #14 The contract between the town and the owners of 55 Main Road, Maddox  |
|    |          | Cove for tax exemption has been signed.   |
| 10 |          | #17 The overflow pipe at the lift station by the Fisherman's Centre needs to be   |
|    |          | repaired as soon as possible. Staff will get a price on this.   |

| ### 12 Councillor Chafe was speaking to the representative from Rigid Contracting with regard to the replacement of the town Fronf. There is a dip in the roof that would need to be fixed and the contractor noted that he will repair this when he is replacing the roof. He noted he may need some plywood to complete the job. Councillor Chafe noted that the contractor will start the roof as soon as the weather breaks.  ### 22 The barking pot will now be moved to the area outside the museum instead of the Bidgood's Cove. The War Memorial Committee will be installing the "There but not There" silhouettes.  ### 22 The barking pot will now be moved to the area outside the museum instead of the Bidgood's Cove. The War Memorial Committee will be installing the "There but not There" silhouettes.  ### 24 A thank you has been sent to Ethebury Authority respessing a traffic mirror for Skinner's Hill has been ordered.  ### 25 A tanffic mirror for Skinner's Hill has been ordered.  ### 10 Expartment of Transportation and Works has cleaned out the drain on Long Run Road that was blocked due to wash outs.  ### 51 The culvert at the intersection of Long Run Road and Southside Road has been installed. Staff will have rock placed at the end of the culvert and cover over with fill.  There was a bern constructed around the perimeter of the look-out area in Maddox Cove. Mayor Lee asked if council will be leaving this open to the public now or closing it off. Councillor Hearn noted that she had some concerns about the area being settled. Deputy Mayor Stack home concerns about the area being settled. Deputy Mayor Stack home concerns about the area and noted that there should be a fance creeked as there is concern over children climbing on/over the bern.  Motion #194 Rick Raymond/Harry Chafe Proposed to open the look out to the public. Mayor Lee, Deputy Mayor Stack. Councillor farm, Councillor Green in favor. Councillor Raymond not in favor. Motion #194 Rick Raymond/Harry Chafe Proposed to pende to build a deck at 24 Motion Bay Road Extens |             |           |   |  |

Councillor Chafe asked if there were any regulations due to the fact that this was being built alongside a river. Fishing for Success representatives noted that this was previously approved by the Department of Municipal Affairs and Environment. Councillor Raymond noted that all the structures would have to be 5ft from the property owner's boundary.  | 18          |           | Application to build a deck at 24 Motion Bay Road Extension.  Motion #194 Rick Raymond/Harry Chafe Proposed to approve the application to build a deck at 24 Motion Bay Road  |  |
| Proposed to approve the application to build a fence with the stipulation that the if the fence has to be moved due to the maintenance of the town's water or sewer line the fence would have to removed at the owner's expense. All in favor, motion carried.  20 Application to operate a tourism accommodation at 24A Skinner's Hill.  Motion #196 Sam Stack/Lynn Hearn Proposed to send notice to the public for comment. All in favor, motion carried.  21 Application for Fishing for Success – Wheelchair accessible fishing pier, twine loft, flake, end stage, repair slipway and wheelbarrow runway and fence. There were representatives from Fishing For Success present in chambers to answer any questions council may have. The Inspections and Development Committee and staff inspected the area. Councillor Chafe noted that he had some concern with regard to the wheelchair accessible fishing pier as it would be 12 feet over the water. Mayor Lee noted that if the wheelchair accessible fishing pier was going to be extended out into the water, it would have to be approved by the Harbour Authority. Council asked the representatives of Fishing For Success how the wheelchair accessible fishing pier would be supported in the water. The representatives stated that they are unsure as to how they will be supporting the structure over the water. |    | structures that will extend over the water.  |
|    | Mayor Lee noted that he had some concerns over the wheelchair accessible   |
|    | fishing pier due to the fact that Fishing For Success is unsure how this will be   |
|    | constructed.   |
|    | Mayor Lee, Deputy Mayor Stack, Councillor Raymond, Councillor Hearn,   |
|    | Councillor Chafe not in favor. Motion defeated.  |
|    | Motion #198 Rick Raymond/Harry Chafe   |
|    | · 1  |
|    | Proposed to approve in principle the twine loft, flake, end stage, repair slipway  |
|    | and wheelbarrow runway and fence with the stipulation that a permit is   |
|    | acquired from the Department of Municipal Affairs and Environment and  |
|    | approval from the Harbour Authority for any structures that will extend over   |
|    | the water. The wheelchair accessible fishing pier will not be approved at this   |
|    | time. Once more information is obtained from the applicant, council will   |
|    | review. All in favor, motion carried.  |
| 22 | The draft "Accessory Building Water Taxation Policy" was tabled.   |
| 22 | , , ,  |
|    | Motion #199 Harry Chafe/Lynn Hearn   |
|    | Proposed to accept the draft "Accessory Building Water Taxation Policy".   |
|    | Mayor Lee, Councillor Chafe, Councillor Hearn in favor, Councillor Raymond   |
|    | and Deputy Mayor Stack not in favor. Motion carried.   |
| 23 | Traffic issues   |
|    | Deputy Mayor Stack noted that there have been some major traffic issues in the   |
|    | town over the last couple of weeks. Deputy Mayor Stack stated that the town  |
|    | needs to do something about this such as have staff work on the weekend to try   |
|    |  |
|    | to control the traffic or hire a parking attendant. Mayor Lee noted that the town  |
|    | has tried everything to try to alleviate the traffic issue. He noted that the town   |
|    | has secured funding for a parking area on Skinner's Hill. Mayor Lee also noted   |
|    | that at this time the town does not have the ability to fine/ticket people that are  |
|    | parked illegally. Councillor Chafe noted that the town can't control traffic on  |
|    | the road. He stated that this is an RNC issue. Staff will contact the RNC to try   |
|    | to do some extra patrols especially on the weekends. Staff will also ask the   |
|    | RNC to hold a town meeting with residents.   |
|    |  |
|    | Councillor Green arrived at 7:40pm.  |
|    | Councillor Raymond noted that there is an issue with the parking spaces at post  |
|    | office boxes being blocked. Staff will erect a sign for 5 minute parking for post  |
|    | office patrons.  |
| 24 | Two letters of thanks were tabled from Faith Layden and Mason Lee for the  |
|    | donation that the town gave them to travel to Ottawa for the National World  |

|    |           | Proposed to pay bills in the amount of \$7,992.08. All in favor, motion carried.  |  |
|    | NEW       |   |  |
|    | BUSINESS  |   |  |
| 21 | DUSTILESS | Constitution Heavy tabled a letter repressing a denotion for Dilay Hytchings who  |  |
| 31 |           | Councillor Hearn tabled a letter requesting a donation for Riley Hutchings who will be travelling to Saskatchewan for the softball Nationals. |  |
|    |           | Motion #207 Sam Stack/Rick Raymond  |  |
|    |           | Proposed to approve a donation as per the town's donation policy. All in favor,   |  |
|    |           | motion carried.   |  |
| 32 |           | The Petty Harbour/Maddox Cove Recreation Commission is requesting that the  |  |
| 5∠ |           | town cover half the cost (expenses over the cost of the grant) of the Canada  |  |
|    |           | Day Celebrations as done is previous years.   |  |
|    |           | Motion #208 Rick Raymond/David Green  |  |
|    |           | Proposed to cover ½ the cost of the Canada Day Celebrations as done is  |  |
|    |           | previous years. All in favor, motion carried.   |  |
| 33 |           | The Petty Harbour/Maddox Cove Recreation Commission will be looking after   |  |
|    |           | the community clean-up this year. The community clean-up will take place on   |  |
|    |           | Sunday June 5 from $1:30-3:00$ . Recreation is requesting that the town cover   |  |
|    |           | the cost of garbage bags, gloves, hot dogs and drinks for the community clean-  |  |
|    |           | up.   |  |
|    |           | Motion #209 David Green/Sam Stack   |  |
|    |           | Proposed for recreation to pick up the supplies and council will reimburse  |  |
|    |           | them. All in favor, motion carried.   |  |
| 34 |           | Councillor Raymond noted that the culvert by the chlorine station is in disrepair   |  |
|    |           | and need to be checked. Staff will look into this.  |  |
| 35 |           | Councillor Chafe noted that recreation received a letter of concern from a  |  |
|    |           | resident with regard to the summer program registration process. Councillor   |  |
|    |           | Chafe noted that there may have been some misunderstanding as recreation has  |  |
|    |           | always taken all the children from Petty Harbour/Maddox Cove. Recreation  |  |
|    |           | will be in touch with this person to clarify.   |  |
| 36 |           | Deputy Mayor Stack noted that the fencing by-law needs to be updated. Deputy  |  |
| 1  |           | Mayor would like council to review the policy for the next meeting. Deputy  |  |
| 1  |           | Mayor Stack had some concerns over # 14 of the by-law as it relates to  |  |
|    |           | punishment for not complying with this by-law. Staff will check to see if this is   |  |
|    |           | something that can stay in the by-law.  |  |
| 37 |           | Councillor Chafe noted that there has been a report of a bear encounter by first  |  |
|    |           | pond. It was also noted that there were numerous fox sightings in the area. Staff   |  |
|    |           | will add this to the Newsletter.  |  |
| 38 |           | The foreman's report was tabled.  |  |
|    |           | Mayor Lee noted that the town has been picking up bulk garbage on the   |  |
|    |           | waterfront. Mayor Lee stated that in the past the Harbour Authority cost shared   |  |
|    |           | the tipping fees for bulk garbage pick-up on the waterfront. Staff will send a  |  |
|    |           | letter to the Harbour Authority asking them if they are willing to cost share the   |  |
|    |           | bulk garbage on the waterfront. If the Harbour Authority are not willing to cost  |  |
|    |           | share the tipping fees then council will not be picking up bulk garbage on the  |  |
|    |           | waterfront during future bulk clean-ups.  |  |
| 39 |           | The town received the appraiser's report for the replacement cost for all   |  |
| 1  |           | building for insurance purposes.  |  |
|    |           | Motion #210 Rick Raymond/Sam Stack  |  |
|    |           | Proposed to update the town's insurance policy as per the report. All in favor,   |  |

|    | motion carried.  |
|----|--|
| 40 | Staff will have the drains on Shore Lane by Bernard Martin's cleaned out   |
| 41 | The Speed bumps will placed on the roads in the coming weeks. They will all go back in the same locations as last year except for the speed bumps on Southside Road. These speed bumps will be relocated to the upper section of Motion Bay Road.  |
| 42 | The foreman forwarded a list of things to do for the summer for council's review.  There was some discussion on the contract for grass mowing on the Bidgood's property and the ballfield in Maddox Cove. Deputy Mayor Stack noted that he felt this could be done by staff. Rick Raymond noted that it would take staff too long for staff to do with a push lawnmower. Councillor Chafe noted that staff are too busy to do this. The CAO noted that the ballfield is booked out for a number of days each weeks and the ballfield needs to be mowed regularly.  Motion #211 Rick Raymond/Dave Green  Proposed to contract the mowing of the ballfield in Maddox Cove. Mayor Lee, Councillor Green, Councillor Chafe, Councillor Hearn and Councillor Raymond in favor. Deputy Mayor Stack not in favor. Motion carried. |
| 43 | The Petty Harbour Maddox Cove Recreation Commission will be taking the town's fireplace as a fundraiser.   |
| 44 | Motion #212 Lynn Hearn/David Green Proposed meeting be adjourned. All in favor, motion carried. Meeting adjourned at 8:57pm.   |
