#		ITEM
1		Mayor Lee brought the meeting to order at 6:30pm.
2		Minutes of February 17, 2020 were read. Motion #49 Rick Raymond/David Green Proposed minutes of February 17, 2020 be approved. All in favor, motion carried.
	BUSINESS ARISING	
. 3		#3 Deputy Mayor Stack and Councillor Green met with Minister Bragg regarding ticketing on the Main Road on Wednesday February 19, 2020. It was noted at the meeting that the town should meet with the Minister of Transportation and Works as they would be responsible for approving this. The CAO (Stephanie Stack) noted that Transportation and Works have been in contact with the town to get the GPS coordinates for the section of road that the town is requesting to have ticketing authority for. The CAO provided the coordinates to the Department of Transportation and Works. Staff will set up a meeting with the Minister of Transportation and Works.
		Deputy Mayor Stack also spoke to Randy Simms during this meeting with regard to a grant/application for a multi-surface area for the Petty Harbour/Maddox Cove Recreation Commission. The application will be out in April. Stephanie will sit with a member of recreation to complete the application once recreation has all their quotes and costing complete.
4		#5 A letter has been sent to the owner of an unlicensed vehicle parked on Southside Road. No response to date. Staff will send out another letter to the owner of the vehicle.
5		#8 The town's engineer is still reviewing the engineered drawing of the water and sewer and the slope/grading plan for the application to build a home at 51-53 Main Road, Maddox Cove (Application # A2020-03).
6		#10 The town's ticketing regulations have been gazetted as of Friday February 28, 2020. The town now has the authority to ticket vehicles on town owned roads. Mayor Lee noted that the town needs to get tickets printed. Staff will get a sample of a ticket for review.
7		#11 Development Corporation Members of Council met with Ron Doyle (Chair of Development Corp.) and two residents who were interested revitalizing the Development Corporation. Mayor Lee stated that if the Development Board could not be revitalized then the board would have to be dissolved and all funds in the Development Corporation's bank account would have to be turned over to the town. One of the residents that was present stated that he could probably get another few people to volunteer to sit on the board. Mayor Lee noted that the town would like to see the Development Corporation revitalized. He also noted that the board has done tremendous work in the past for the town and extended a thank you to all members that sat as members of the board in the past. It was agreed to give the new interested residents 3 months to see if they could come up with a few new people to put their names forward to sit on the board. Council will check back with the interested members in the beginning of June to see if there were any more interested residents. The CAO (Stephanie Stack) noted that Angie Raymond was interested in sitting on the board also (Angie was a member of the Cribbies Park Committee).
8		#12 Staff has sent off a copy of the Emergency Preparedness Plan to Bill Walters for review.
9		#21 The Petty Harbour/Maddox Cove Recreation had their AGM on February 27, 2020. Mayor Lee noted that there was a good turn-out at the AGM. The new Recreation Commission consists of: Harry Chafe- chair Linda Doyle- vice chair Lynn Hearn- treasurer Jeanna Chafe- secretary

Mayor Lee asked council to vote if he was in a conflict of interest or not regarding this issue. Motion #51 David Green/Rick Raymond Proposed that Mayor Lee was not in a conflict of interest. All in favor, motion carried. Mayor Lee abstained from voting on this motion. Councillor Chafe asked council to vote if he was in a conflict of interest or not regarding this issue. Motion #52 Rick Raymond/David Green Proposed that Councillor Chafe was not in a conflict of interest. All in favor, motion carried. Councillor Chafe abstained from voting on this motion. Mayor Lee noted that he viewed the videos and pictures. He noted that in the video the plow operator does not attempt to turn his blade once he gets to the area at the bottom of Cavell's Lane by the turn. He noted the operator should attempt to push some of the snow around the turn instead of going straight. Councillor Chafe noted that the resident at the bottom of Cavell's Lane was asked to move his vehicle at the bottom of Cavell's Lane to make it easier for the snow plow operator			Hearn and Councillor Chafe were in conflict of interest there was no longer a			
Lee noted that he felt that he should have some say with regard to the signing of the Union Contract. He stated that in a small community there are always conflicts of interest. Mayor Lee stated that he put his name forward on council to benefit all residents and he felt that having a say on the contract would benefit the community. Deputy Mayor Stack reiterated that the conflict of interest policy as it pertained to the Municipalities Act is frustrating. He stated it is hard to determine what is a conflict and what is not. 	Proposed that Councillor Chafe was not in a conflict of interest when discussing this matter. Councillor Green, Councillor Raymond, Mayor Lee were in favor. Deputy Mayor Stack not in favor. Motion carried. Councillor Chafe abstained from voting on this motion.				
	Motion #67 Rick Raymond/David Green				
	Proposed to reimburse recreation for the cost to have snow removed from the community centre parking lot in the amount of \$1,150.00. Deputy Mayor Stack noted that recreation should be coming to council before they have snow removed in the future. All in favor, motion carried.				
25	Councillor Green noted that there are a number of hydrants in the town that need to be cleared of snow. Staff will contact the contractor to have this work completed.				
26	The traffic mirror on the Main Road at the beach area needs to be adjusted.				
27	An email from a resident who is operating yoga classes at 13 Main Road, Petty Harbour was tabled. The resident noted that they are already paying significant business taxes for a business that is currently operating in this location. The resident feels that they should not have to advertise the new business or pay an additional business tax. Mayor Lee noted that all businesses and all tenants in a property have to pay business tax. Councillor Green noted that the current business only operates 6 months of the year and pays for a full year business tax. Councillor Green also noted that the resident should be able to use the space for a different business in the off season. Mayor Lee noted that council does not know that the business only operates for part of the year. Councillor Green stated that the town should give the resident a permit to operate and not place another business tax on the resident as she is providing a good service to the community. Motion #68 Rick Raymond/Sam Stack Proposed to notify resident that she would have to fill out an application and it would then have to go out to the public for comment. All in favor, motion carried.				
28	A concept drawing of a new town depot was tabled. The town was approached by a student (Sandra Ward) to design a new town depot for a school Cap-Stone project. Ms. Ward is still working on the project and the town should see the final concept drawings in the coming weeks.				
29	Motion #69 Harry Chafe/Rick Raymond Proposed meeting be adjourned. All in favor, motion carried. Meeting adjourned at 8:50pm.
